Cal BASEBALL

The Caledonia Baseball Program pop up shop will be open online 10/31 through 11/23, offering a wide selection of Cal Baseball gear for players, families, and supporters. All proceeds will directly benefit the high school baseball program! Customers will have the option to have their order shipped directly to their home or to pick it up prior to Christmas break—an ideal time for holiday gifts. Cal Bullpen Club appreciates your support for the baseball program and your team spirit! Here is the link to the store
